

CAJO VEGA DESKTM - COST-EFFECTIVE TABLETOP SOLUTION FOR VERSATILE MARKING

CAJO VEGA DESK™

Cajo Vega Desk™ is a stylish and compact laser marking unit, mighty as any other Vega series laser marking system. The small but sturdy machine is a tabletop laser marker for users who value ergonomic solutions and versatile product marking. It is also an excellent choice for laboratory requirements and educational purposes.

Cajo Vega Desk™ is a safe turnkey solution (Laser Class 1) equipped with protective housing and an automated vertical door with a safety switch. In short, Cajo Vega Desk™ is built for total control of the marking process.

Cajo Vega Desk™ is a multipurpose and capable solution for most materials such as metals, plastics, soft polymers, and coated plastics and metals.

The reliable Cajo Vega Desk™ laser marker enables precise and permanent markings repeatedly with the same high quality. It is also one of the longest-lasting laser marking machines on the market. Cajo's user-friendly marking software CajoSuite™ makes designing and customizing marking content simple and flexible. With the comprehensive software, it is possible to design and create variable marking data, such as logos, serial numbers,

barcodes, and 2D codes such as QR and data matrix codes.

Choose Cajo for universal product marking.

FAST AND EASY TO OPERATE
